

Shuang Song, Ph.D.

✉ songshgeo@gmail.com

🌐 <http://cv.songshgeo.com/>

Employment History

2023 – ···· 📌 **Postdoctoral Researcher.** Beijing Normal University.

Education

2018 – 2023 📌 **Ph.D. of Physical Geography,** Beijing Normal University.

Thesis title: *Evolution of human-water relationships: taking the Yellow River Basin in China as an example.*

2015 – 2018 📌 **2nd Major of History Study,** Sun Yat-Sen University.

2014 – 2018 📌 **B.S. of Physical Geography,** Sun Yat-Sen University.

Thesis title: *Test of Human-Flood Model: Taking floodplain of the Yellow River in Ningxia as an Example.*

Research Publications

Preprints

1 📌 **S. Song,** S. Wang, C. Jiao, and E. J. Mantilla, *ABSESpy: An agent-based modeling framework for social-ecological systems*, en, 2023.

Journal Articles

1 📌 C. Jiao, S. Wang, **S. Song,** and B. Fu, “Long-term and seasonal variation of open-surface water bodies in the Yellow River Basin during 1990–2020,” en, *Hydrological Processes*, vol. 37, no. 3, e14846, 2023, ISSN: 1099-1085. 🔗 DOI: 10.1002/hyp.14846. (visited on 11/24/2023).

Skills

Languages	Strong reading, writing, and speaking competencies in English, Mandarin Chinese, poor German, and Spanish.
Coding	Python, R, SQL, \LaTeX , ...
Databases	MySQL, PostgreSQL.
Misc.	Academic research, developer, travel writer.
GIS.	QGIS, ArcGIS.

Miscellaneous Experience

Available on Request.
